

Ruthann F. Rees, M.D., Ph.D., FACOG

Family History

Patient name _____ DOB _____

Please list any significant changes in your family history since your last annual exam.

Dr. Rees specializes in Obstetrics and Gynecology and will provide care related to this field of medicine only. Our physicians strongly advise each patient to have a primary care doctor, such as a Family Practitioner or Internist, for general medical care. Please list the name of your primary care physician below. If you do not have one, we will be happy to make a recommendation.

My primary care physician is: _____
